Tasting the highlights from Flanders & Wallonia

This weekend we discover some hidden treasures of Belgium. Our hotel is based in the heart of Ghent, capital of East Flanders and arguably Belgium's most beautiful city. We'll taste our way through some of Belgium's greatest beers, and enjoy good food and company surrounded by historic architecture and cozy bars. We'll also journey out into the gentle countryside of Wallonia - to discover Saison beers.

Who we are: A small company taking thirsty guests to unique alcohol producers in fun places

What we do: Beer days & weekends in London and Belgium, whisky weekends in Scotland, wine weekends in lesser known European destinations

What's in the pipeline: Wine tasting in Slovenia
